

## JANUARY 2023: [Notice: Water Customers of the Village of Indiantown Service Area](#)

Our service area consists of 1,800 households and businesses in the Village itself, as well as certain unincorporated Urban Service Districts throughout the greater Indiantown, FL, area. The Village of Indiantown Water & Wastewater utility service is regulated by the Florida Department of Environmental Protection.

### **Contact Information**

If you have comments, questions, require after hours support, or are experiencing an emergency please refer to the following numbers.

- Daytime Support - Village of Indiantown Main Office: 772-597-9900
- After Hours/Emergency Support - Water & Wastewater Main Office: 772-597-2121

Please note, customers calling with an after-hours emergency will be directed to an automatic recording advising next steps. The recording will provide an active contact telephone number for an on-call service specialist who will assist as quickly as possible.

### **PAST NEWS RELEASES**

08.18.2022, ADVISORY UPDATE: The precautionary boil water advisory issued on 08.16.2022 has been rescinded.
