

About Finance

The Village of Indiantown Finance Department manages fiscal affairs and is responsible for budgeting, accounts payable, payroll, central accounting, fixed assets, internal controls, pension administration, and the annual external audit. The department is also responsible for cash, debt and investment management, and collection of municipal revenues. The department provides services both internally for other departments and externally to our residents. The Finance staff continuously strives to enhance their practices, services, and resources to better assist the internal and external community.

If you have questions please contact the Village's Financial Services department at mflorio [at] indiantownfl.gov.
