Solid Waste Consulting Services

RFP #2020-003-HB

I. REQUEST SUMMARY

The Village of Indiantown (Village) seeks proposals from qualified firms to provide comprehensive solid waste consultant services. An experienced and multifaceted firm is sought to assist with developing a comprehensive solid waste services program for our newly-incorporated municipality.

The successful service provider will propose both cost effective and environmentally conscious solutions to the issues facing the Village. Understanding of the unique challenges facing a new and developing municipality is a must.

An initial one-year contract is anticipated, with two subsequent one-year renewals (for up to three years total), pending necessity and agreement of both parties.

II. INTRODUCTION

A. Community Profile

Indiantown is a rural community in Florida's Treasure Coast first established in the early 1900's, then incorporated on December 31, 2017 as the newest local government in Florida. While its population of less than 7,000 is small, resident engagement is good and the potential for community building and new business opportunity is large.

The Village is governed by a Mayor and Council elected at large, while day-to-day operations are directed by the Village Manager. The Village is approximately nine square miles with a residential population of approximately 6,800. The total adopted budget for FY 2019-2020 is approximately \$4.9 million.

Solid waste services for the Village are currently managed by the Martin County Board of County Commissioners via intergovernmental agreement which will expire, excluding an election to continue services, in May 2020. The Village also operates a wastewater treatment facility, with renovations pending.

B. Background

The Village of Indiantown has a three-person Village Manager's Office, which includes an Office Coordinator and Management Analyst. The Management Analyst is the primary staff person responsible for contract management. The Management Analyst will work in coordination with Village staff in various departments to advance the Village's messaging and serve as liaison between the consultant and the departments.

The selected consultant is expected to work closely with the Village Manager's Office. It is important that the consultant proactively present issues of concern to the Village Manager, Council, and Mayor that could affect the Village mission and also the work of Village staff.

The Village of Indiantown has not previously contracted with a solid waste consulting firm.

C. General RFP Submittal Information

The Village's designated staff will evaluate proposals received. During the review process, the Village reserves the right, where it may serve the Village's best interest, to request additional information or clarification from those that submit proposals, or allow clarifications, corrections of errors, or omissions. Any and all changes in the RFP will be made by written addendum, which shall be issued by the Village to all prospective proposers who have registered for the RFP via the Village's website.

The Village reserves the right to retain all proposals submitted. Submission of a proposal indicates the Proposer's acceptance of the conditions contained in this RFP, unless clearly and specifically noted in the proposal submitted and confirmed in the contract between the Village and the Proposer selected.

The preparation of the proposal will be at the total expense of the Proposer. There is no expressed or implied obligation for the Village to reimburse responding Proposers for any expense incurred in the preparation of proposals in response to this request. All proposals submitted to the Village shall become properties of the Village and will not be returned. If any information in your proposal is confidential and/or proprietary, please further submit a separate, redacted copy for servicing public records requests.

The proposer may submit an alternative proposal (or proposals) that it believes will also meet the Village's project objectives but in a different way. In this case, the proposer must provide an analysis of the advantages and disadvantages of each of the alternatives and discuss under what circumstances the Village would prefer one alternative to the other(s). If an alternative proposal is submitted, the maximum length of the proposal may be expanded proportionately by the number of alternatives submitted.

The Village reserves the right to reject any or all proposals, in whole or part, to waive any informality in any proposal, and to accept the proposal which, in its discretion, is in the best interest of the Village. Any proposer may withdraw his proposal, without obligation, at any time prior to the scheduled closing time for receipt of proposals. A withdrawal will not be effective unless made personally or by telephonic notification received prior to the closing date. Proposals may later be referred to the Village Council for appropriate action.

All proposals are due no later than **3:00 p.m. EST on Monday, February 3, 2020**, at which time they will be opened at the Village Clerk's Desk on the First Floor of Village Hall. Late submissions will not be accepted.

To be considered, proposers must send one (1) color original, one (1) USB flash drive with a searchable PDF copy of the proposal in its entirety and three (3) hard copies of their proposal in a sealed envelope with the name of the company submitting the proposal and the title of "**RFP #2020-003-HB – Solid Waste Consulting Services**" to:

The parties agree that 1% of the total compensation paid to the CONSULTANT for performance of this Contract shall represent the specific consideration for the CONSULTANT's indemnification of the Owner. It is the specific intent of the parties hereto that the foregoing indemnification complies with applicable Florida Statutes.

The CONSULTANT, without exemption, shall indemnify and hold harmless the VILLAGE, its employees, representatives and elected officials from liability of any nature or kind, including cost and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or item manufactured by the CONSULTANT. Further, if such a claim is made, or is pending, the CONSULTANT may, at its option and expense, procure for the VILLAGE the right to use, replace, or modify the item to render it non-infringing. If none of the alternatives are reasonably available, the VILLAGE agrees to return the article on request to the CONSULTANT and receive reimbursement. If the CONSULTANT used any design, device or materials covered by letters, patent or copyright, it is mutually agreed and understood, without exception, that the Contract prices shall include all royalties or cost arising from the use of such design, device or materials in any way involved in the work.

It is further the specific intent of the parties that all of the Contract Documents on this Project are hereby amended to include the foregoing indemnification and the "Specific Consideration" thereof.

ARTICLE 10 - SUCCESSORS AND ASSIGNS

The VILLAGE and the CONSULTANT each binds itself and its partners, successors, executors, administrators, and assigns to the other party of this Contract to the partners, successors, executors, administrators, and assigns of such other party, in respect to all covenants of this Contract. Except as above noted, neither the VILLAGE nor the CONSULTANT shall assign, sublet, convey or transfer its interest in this Contract. Nothing herein shall be construed as creating any rights or benefits hereunder to anyone other than the VILLAGE and the CONSULTANT.

ARTICLE 11 - REMEDIES

This Contract shall be governed by the laws of the State of Florida. The venue of all actions in State or Federal Court relating to this Contract will be held in Martin County, Florida. No remedy herein conferred upon any party is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder now or hereafter existing at law or in equity. No single or partial exercise by any part of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.

ARTICLE 12 - CONFLICT OF INTEREST

The CONSULTANT represents that it presently has no interest and shall acquire no interest, either direct or indirect, in the VILLAGE, which would conflict in any manner with the performance or services required hereunder, as provided for in Florida Statutes 112.311. The CONSULTANT further represents that no person having such interest shall be employed in the performance hereof.

The CONSULTANT shall promptly notify the VILLAGE's Representative, in writing, by certified mail, of all potential conflicts of interest for any prospective business association, interest or other circumstance which may influence or appear to influence the CONSULTANT'S judgment or quality of services being provided hereunder. Such written notification shall identify the prospective business association, interest or circumstance, the nature of work that the CONSULTANT undertakes and request an opinion of the VILLAGE, whether or not such association, interest or circumstances will in the VILLAGE's opinion constitute a conflict of interest if entered into by the CONSULTANT. The VILLAGE agrees to notify the CONSULTANT of its opinion by certified mail within 30 days of receipt of notification by the CONSULTANT. If, in the opinion of the VILLAGE, the prospective business association, interest or circumstances would not constitute a conflict of interest by the CONSULTANT, the VILLAGE shall so state in the notification and the CONSULTANT may enter into said association, interest or circumstance and it shall be deemed not in conflict of interest with respect to services provided to the VILLAGE by the CONSULTANT under the terms of this Contract.

ARTICLE 13 - EXCUSABLE DELAYS

The CONSULTANT shall not be considered in default by reason of any failure in performance if such failure arises as a result of a "Force Majeure." Force Majeure shall mean any delay occasioned by superior or irresistible force occasioned by violence in nature without the interference of human agency such as hurricanes, tornados, flood and total loss caused by fire and other similar unavoidable casualties, changes in federal, state or local laws, ordinances, codes or regulations, enacted after the date of this Agreement and having a substantial impact on the project, or other causes beyond the CONSULTANT's control or by any other such causes which the CONSULTANT and the VILLAGE Commission decide in writing justify the delay. Provided, however, that market conditions, labor conditions, construction industry price trends and similar matters which normally impact on the bidding process shall not be considered a Force Majeure.

ARTICLE 14 - PLEDGE OF CREDIT, ARREARS

The CONSULTANT shall not pledge the VILLAGE's credit or make it a guarantor of payment of surety for any contract, debt, obligation, judgment, lien, or any form of indebtedness.

The CONSULTANT further warrants and represents that it has no obligation or indebtedness that would impair its ability to fulfill the terms of this Contract.

ARTICLE 15 - DISCLOSURE AND OWNERSHIP OF DOCUMENTS

The CONSULTANT shall deliver to the VILLAGE for approval and acceptance, and before being eligible for final payment of any amounts due, all documents and materials, in both hard copy and electronic mail, prepared by and for the VILLAGE under this Contract.

All written and oral information not in the public domain or not previously known, and all information and data obtained, developed, or supplied by the VILLAGE or at its expense will be kept confidential by the CONSULTANT and will not be disclosed to any other party directly or indirectly, without the VILLAGE's prior written consent, unless required by a lawful order. All drawings, maps, sketches, programs, database, reports and other data developed or purchased under this Contract for or at the VILLAGE's expense shall be and remain the VILLAGE's property and may be reproduced and reused at the discretion of the VILLAGE.

The VILLAGE and the CONSULTANT shall comply with the provisions of Chapter 119, Florida Statutes (Public Records Law).

All covenants, contracts, representations and warranties made herein, or otherwise made in writing by any party hereto including, but not limited to, representations herein related to the disclosure or ownership of documents, shall survive this Contract and the consummation of the transactions contemplated hereby.

ARTICLE 16 - INDEPENDENT CONTRACTOR RELATIONSHIP

The CONSULTANT and all employees and/or agents of the CONSULTANT are, and shall be, in the performance of all work services and activities under this Contract, an independent contractor, and not an employee, agent, or servant of the VILLAGE. All persons engaged in any of the work or services performed pursuant to this Contract shall at all times and in all places be subject to the CONSULTANT'S sole direction, supervision, and control. The CONSULTANT shall exercise control over the means and manner in which it and its employees perform the work and in all respects the CONSULTANT'S relationship and the relationship of its employees to the VILLAGE shall be that of an independent contractor and not as employees or agents of the VILLAGE.

The CONSULTANT does not have the power or authority to bind the VILLAGE in any promise, agreement or representation other than specifically provided for in this Agreement. The CONSULTANT shall be responsible to the VILLAGE for all work or services performed by the CONSULTANT or any person or entity on the CONSULTANT'S behalf, in fulfillment of this Contract.

ARTICLE 17 - CONTINGENT FEES

The CONSULTANT warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the CONSULTANT to solicit or secure this Contract and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than it's bona fide employee working solely for the CONSULTANT, any fee, commission, percentage, gift, or any other consideration contingent upon resulting from the Award or making of this Contract.

ARTICLE 18 - ACCESS AND AUDITS

The CONSULTANT shall maintain adequate records to justify all charges, expenses, and costs incurred in estimating and performing the work for at least three (3) years after completion of this Contract. The VILLAGE shall have access to such books, records, and documents as required in this section for the purpose of inspection or audit during normal business hours, at the CONSULTANT'S place of business.

ARTICLE 19 - NONDISCRIMINATION

The CONSULTANT warrants and represents that all of its employees are treated equally during employment without regard to race, color, religion, disability, sex, age, national origin, ancestry, marital status, or sexual orientation.

ARTICLE 20 - ENFORCEMENT COSTS

If any legal action or other proceeding is brought for the enforcement of this Contract, or because of an alleged dispute, breach, default or misrepresentation in connection with any provisions of this Contract, the successful or prevailing party or parties shall be entitled to recover reasonable attorney's fees, expenses and court costs, including appellate fees incurred in that action or proceeding, in addition to any other relief to which such party or parties may be entitled.

ARTICLE 21 - AUTHORITY TO PRACTICE

The CONSULTANT hereby represents and warrants that it has and will continue to maintain all licenses and approvals required to conduct its business, and that it will at all times conduct its business activities in a reputable manner. Proof of such licenses and approvals shall be submitted to the VILLAGE'S Representative on an annual basis.

ARTICLE 22 - SEVERABILITY

If any term or provision of this Contract, or the application thereof to any person or circumstances shall, to any extent, be held invalid or unenforceable, the remainder of this Contract, or the application of such terms or provisions to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected, and every other term provision of this Contract shall be deemed valid and enforceable to the extent permitted by law.

ARTICLE 23 - ENTIRETY OF CONTRACTUAL CONTRACT

The VILLAGE and the CONSULTANT agree that this Contract sets forth the entire Contract between the parties, and that there are no promises or understandings other than those stated herein. None of the provisions, terms and conditions contained in this Contract may be added to, modified, superseded or otherwise altered, except by written instrument executed by the parties hereto in accordance with Article 24- Modifications of Work.

ARTICLE 24 - MODIFICATIONS OF WORK

The VILLAGE reserves the right to make changes in Scope of Work, including alterations, reductions therein or additions thereto. Upon receipt by the CONSULTANT of the VILLAGE's notification of a contemplated change, the CONSULTANT shall, **in writing**:

- (1) Provide a detailed estimate for the increase or decrease in cost due to the contemplated change,
- (2) Notify the VILLAGE of any estimated change in the completion date, and
- (3) Advise the VILLAGE if the contemplated change shall effect the CONSULTANT'S ability to meet the completion dates or schedules of this Contract.

If the VILLAGE so instructs in writing, the CONSULTANT shall suspend work on that portion of the Scope of Work affected by a contemplated change, pending the VILLAGE's decision to proceed with the change.

If the VILLAGE elects to make the change, the VILLAGE shall initiate a contract amendment and the CONSULTANT shall not commence work on any such change until such written amendment is signed by the authorized representative for the VILLAGE.

Such changes, if any, shall be set forth in writing, which may be transmitted, at the VILLAGE'S discretion, digitally.

ARTICLE 27 - JOINT PREPARATION

The preparation of this Contract has been a joint effort of the parties, and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other. It is the parties' further intention that this Contract be construed liberally to achieve its intent.

ARTICLE 28 - WAIVER

No waiver by the VILLAGE of any provision of this Contract shall be deemed to be a waiver of any other provisions hereof or of any subsequent breach of the same or any other provision or the enforcement hereof. VILLAGE's consent to or approval of any act by CONSULTANT requiring consent or approval shall not be deemed to render unnecessary the obtaining of VILLAGE's consent or approval of any subsequent act by CONSULTANT requiring the VILLAGE'S consent or approval, whether or not similar to the act so consented to or approved.

This Contract may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same Contract.

If the CONSULTANT keeps and maintains public records upon completion of the contract, the CONSULTANT shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the Village's

custodian of public records, in a format that is compatible with the information technology systems of the Village.

WITNESSETH:

WHEREAS, Section 119.0701, Fla. Stat., requires that certain public agency contracts must include certain statutorily required provisions concerning the contractor's compliance for Florida's Public Records Act; and

WHEREAS, Section 768.28, Fla. Stat., sets forth certain mandatory limitations on indemnification and liability for Florida public agencies; and

1. Amendment. This Addendum hereby amends and supplements the terms of the Agreement. In the event of a conflict between the terms of the Agreement and terms of the Addendum, the terms of the Addendum shall prevail.

2. Public Records Compliance. Contractor agrees that, to the extent that it may "act on behalf" of the Village within the meaning of Section 119.071(1)(a), Florida Statutes in providing its services under this Agreement, it shall:

- (a) Keep and maintain public records required by the public agency to perform the service.

- (c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.

- (d) Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the Village's custodian of public records, in a format that is compatible with the information technology systems of the Village.
- (e) Pursuant to Section 119.0701(2)(a), Fla. Stat., IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: Susan A. Contractor authorizes the public agency to seek declaratory, injunctive, or other appropriate relief against Contractor in Martin County Circuit Court on an expedited basis to enforce the requirements of this section.

4. Compliance/Consistency with Section 768.28, Fla. Stat. Stat. and subject to the procedural requirements set forth therein. Any other purported indemnification by Village in the Agreement in derogation hereof shall be void and of no force or effect.

5. Non-appropriation. Village's performance and obligation to pay under this Agreement is contingent upon an appropriation during the Village's annual budget approval process. The termination of the Agreement at fiscal year end shall be without penalty or expense to the Village subject to the Village paying all invoices for services rendered during the period the Agreement was funded by appropriations.

6. Venue and Jurisdiction.
