"The business community is more than just about business; it is about people. Being a part of an organization that will help existing and new business thrive strengthens the people of our community. To be able to contribute in even the smallest way is why I am involved and serve. I am proud to be a part BDB and in making the economy of Martin County everyone's business."

- Eric Kiehn, C&W Technologies

Introduction

The Business Development Board of Martin County (BDB) is positioned to accelerate its work in championing and strengthening Martin County's economy.

Starting, growing, retaining and welcoming more job creators who will make direct business capital investments in our community is core business.

Supporting and assisting those who already call Martin County home, through Pulse Visits, Pulse Surveys, and an enhanced concierge level of service, will ensure our economic base remains solid as the BDB unwaveringly tells key audiences that Martin County is open for business.

Our new "Now's the Time" campaign is designed to build urgency for business owners, executives, entrepreneurs and their advisors to consider Martin County for new facilities and centers.

Adding an experienced Business Development Executive to the professional team, demonstrates the BDB's commitment to a full-throttle approach to Martin County's "Hubs of Excellence" strategy designed to advance six primary industry sectors proven to be producers of new dollars, higher-paying jobs and business capital investments to grow the non-residential tax base.

And with a renewed preemptive approach, thanks to the support of our funders, investors, economic and community partners, the BDB anticipates more businesses and companies will choose Martin County for their next business location.

"I grew up in Martin County, and there is nothing more important to me than family. I know I am not alone when I say I want my family to be able to grow and thrive in Martin County. The only way this will happen, however, is if we have a strong local economy with local jobs. This is why being a board member of the Business Development Board is so important to me. It allows me the opportunity to help move the needle not only for my community but for the future generations of my community."

- Kate Cotner, FPL

"Strengthening the local economy means helping Martin County families stay together. Strengthening the economy means creating careers and good paying professions locally, giving our kids a chance to stay in the community they grew up in and love. The feeling of everyone pulling together as a community is inspirational and helps businesses and residents advance at rates exponential to the efforts exerted."

Martin County Open for Business

During the second quarter FY 2022, the BDB created it's "Now's the Time" campaign designed to proactively tout Martin County is open for business. Six key attributes are being highlighted including Martin County's:

1. Strategic location midway between Miami and Orlando
2. Positive business climate supported by local business and elected leadership
3. New business spaces, shovel-ready sites and wide-ranging land opportunities
4. Redundant fiber-optic infrastructure high-speed internet connections in rural settings
5. Innovative community investments in talent development
6. High quality of life featuring a water-based community with distinctive housing, award-winning schools, world-class healthcare and a philanthropic, collaborative community

Through the lens of our "Hubs of Excellence" strategy, messages and digital marketing are targeted in South Florida, along the Treasure Coast, in the Greater Orlando and Space Coast regions and in Tallahassee.

Campaign, Sales and Brand Assets: Landing page, commercials, videos, business imagery, slide decks, virtual tours, collateral pieces, trade show booth, display banners and kiosk stands.

IT

Martin County's Hubs of Excellence - industry focus areas – help to build economic vibrancy, prosperity and grow good jobs.

In FY 2023, the BDB will proactively concentrate on the aviation-aerospace and marine hubs to broaden job creation and encourage direct business capital investments within Martin County.

Key FY 2023 Hubs of Excellence activities will feature:

- Mapping industry leaders and support entities
- Showcasing hub companies, programs, schools and databases online
- Developing industry and community profiles
- Coordinating an economic impact study for Martin County's Marine Hub
- Making recommendations for a new Hub Toolbox featuring targeted business assistance and incentives for industry hubs
- Hosting FAM tours to tout Martin County's attributes in person and virtually
- Joining new industry associations – NAIOP, National Marine Manufacturing Association, Association of Uncrewed Vehicle Systems International, American Institute of Aeronautics and Astronautics and National Business Aviation Association
- Attending at least two industry association trade shows in the Southeast U.S. region and with local companies if interested

Aviation Aerospace targets: Drone manufacturer, electric propulsion, 3D printers (additive manufacturers), maintenance-repair-overhaul (MRO) and aerospace defense contractors.

Marine targets: Electric boats and motors, radar systems, yacht manufacturing, yacht repair, metal work and CNC, composite fabricators, marine sports manufacturers.

Growing Our Own

BDB Pulse

A Listening and Responding System for Local Business Retention & Expansion (BRE)

One-on-one meetings (Pulse Visits) with local companies is at the heart of our efforts to ensure we have a broad, responsive business retention and expansion system in place. During each visit, Board members, investors, partners and staff will 1) take a 'pulse' on how business is going; 2) to problem solve and provide resources as needed and 3) to thank each owner, entrepreneur and executive for choosing Martin County for their business.

Zoom Pulse Visits and/or Online Pulse Surveys can occur too when leaders are unable to meet in person. The BDB then compiles all data and feedback and produces an annual **Martin County Pulse Report** so key leaders and policymakers can better understand the issues of local businesses and companies.

Side Hustle to Main Gig

Created in 2021, Side Hustle to Main Gig is for individuals thinking about starting a new business. The six-week training provides entrepreneurs-to-be with proven business methods and unique access to local business advisory experts. Two cohort sessions will be offered in FY 2023.

Talent Advancement Team

A strong talent pool with 21st century skills is now the top location criteria for businesses, companies, and their representatives as they consider locations for new sites and facilities generating highly sought-after jobs and capital investment.

In response to an extraordinary community-led effort to build talent-workforce development capacity at the grassroots-level, the BDB created the **Talent Advancement Team** so partners, employers, educators and other interested leaders could stay connected and help implement collaborative activities which will increase Martin County's talent pool, align its talent pipeline, and improve local labor market conditions.

Meetings: 3rd Mondays at 1:00 p.m.

MC Talent Indicators available at www.bdbmc.org

Other Propel MC (Entrepreneurship) activities, including the BDB's Business Accelerator Program, will be paused until the BDB's Entrepreneurship Council is created in late 2023.

Strategic Areas of Opportunity

The BDB is focused on attracting and retaining jobs and capital investments in a variety of places where private and/or public investments have been (or are being) made to retain and grow local firms while attracting new companies to MC. More ready-to-go space will be needed to meet the needs of the Hubs of Excellence and for those companies looking to lease vs. land purchase or build-to-suit.

Visit bdbmc.org for a list of current opportunities.

FY 2023 Action Plan

The BDB's action plan is assessed, monitored and reported monthly and quarterly to its leaders, investors and partners to ensure accountability, focus, level of service and impact. Each item has been assigned, has timing to it and is financially resourced (details in parentheses) unless otherwise noted.

Staffing Key: BDE – Business Development Executive, BPR – Business-Partner Relations Assistant, ED – Executive Director; EDC – Economic Development Coordinator; PRA – Public Relations Advisor

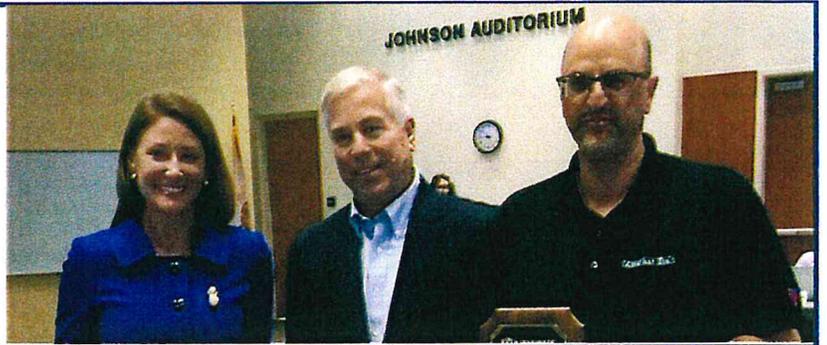

1. Provide on-demand services to economic development leads, prospects, and clients which ultimately result in: 10 economic development announcements | creation-retention of 350 jobs | absorption-creation of 150,000 square feet of commercial-office-industrial-flex space | \$10 million in capital investment. (BDE | ED | Continuous | Existing Resources)
2. Execute the new Hubs of Excellence business development strategy focused on industry profiling, storytelling, FAM tours, VIP events and industry trade shows to cultivate aviation-aerospace and marine leads and prospects for Martin County. (BDE | Continuous | \$33,000 + staffing resources = \$103,700)
3. Evolve our business storytelling strategy featuring CEO-Entrepreneur profiles and testimonials while increasing our gallery of business images and videos that tout Martin County is open for business. (PRA | Outside Resources | Bi-Monthly | \$12,000)
4. Continue to implement the “Now’s the Time” digital and social marketing campaign designed to increase the number of economic development leads and prospects. (ED | PRA | BPR | Outside Resources | Continuous | \$37,000)
5. Host one (1) Commercial Real Estate-Banking-Finance and two (2) Industry Roundtables to keep a pulse on the needs and trends associated with the Hubs of Excellence and issue industry reports. (BDE | 2Q, 3Q, 4Q | Existing Resources)
6. Continue the Pulse Program and visit at least 50 businesses with Board members, investors, and partners to build relationships, identify at-risk businesses and provide business assistance as needed. (EDC | All | Continuous with Yearly Report in 4Q | Existing Resources)
7. Launch the Corporate Council to drive the Pulse Program and support the Hubs of Excellence Industry Development efforts. (EDC | BDE | Continuous | Existing Resources)
8. Poll and survey Martin County business owners, managers, executives and entrepreneurs about business conditions and outlooks. (EDC | Annual | Existing Resources)

FY 2023 Action Plan

9. Produce two (2) Side Hustle to Main Gig cohorts in cooperation with FSBDC @ IRSC, partners and sponsors. (EDC | Quarterly | \$5,000)
10. Update and distribute the annual Business Resource Guide and maintain the MC Biz Hub at www.bdbmc.org. (EDC | 3Q for Guide, Continuous on MC Biz Hub | \$2,500)
11. Through the BDB Talent Advancement Team (meets bi-monthly), host two (2) Future of Work + Learning Talent and Workforce Development Roundtables with partners and provide semi-annual, macro-level talent and workforce data to partners and policymakers. (EDC | Timing Forthcoming | \$5,000)
12. Advocate for and recruit new in-area training and higher education facilities and resources to grow the Hubs of Excellence, as needed. (ED | BDE | On-Going | Existing Resources)
13. Advocate, support and add new initiatives associated with the County's 2021 COVID-19 Economic Study including, but not limited, to the proposed Innovation District. (Board | ED | To be Determined)
14. Develop the BDB's Economic Development Policy and Legislative Action Plan and advocate for its agenda items at the local, regional, state, and federal levels including (but not limited) to the Hubs of Excellence incentives-business assistance toolbox and Economic Development Trust Fund. (Board | ED | BDE | 1Q for Toolbox, 2Q for Legislative Action Plan | Existing Resources)
15. Produce the 2022 Martin County Business Awards to celebrate and tout local businesses. (ED and BPR with support from entire BDB team | 1Q | \$35,000)
16. Continue the Partner's Council (MC Biz Team) designed to work on common initiatives, leverage resources, and share market-business intelligence that improves MC's economy and market reputation. (BPR | Bi-Monthly | \$1,500)
17. Advance the BDB's Leadership Engagement Model resulting in more non-County and private sector leadership and funding (\$185,000) to support the Business Plan and increase the number of economic development champions involved in implementing programs, activities, and initiatives. Host up to 3 United Economic Leadership events. (ED | BPR | All | Continuous | \$2,500)
18. Enhance PR-Communications activities with *Martinomics*, investor profiles, short and long-form interviews, testimonials, press releases, articles, community and civic events to explain the value of economic development and the services of the BDB. (PRA | BPR | Continuous | \$12,000)

Staffing Leadership Engagement

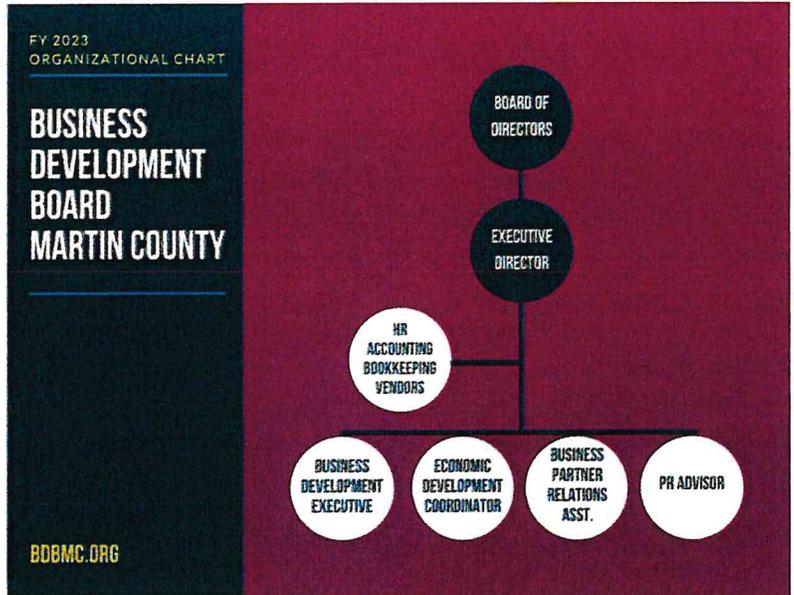

The BDB is fortunate to have an incredibly talented professional team in place to execute on all aspects of the FY 2023 Business Plan. The four (4) existing full-time positions remain in place, although as fundraising occurs and business development results and activities increase, staffing plan upgrades may be needed.

In the short-term, the BDB continues to maintain its current lease at 1002 SE Monterrey Commons Blvd. The BDB has had initial conversations with IRSC to determine if office facilities at the Chastain Campus may be a viable option for lease as it seeks larger on-site meeting facilities.

The current BDB Leadership Engagement Model will continue in FY 2023 with the fundraising goal of \$185,000. Leadership teams expected to be active during FY 2023 and driving the Business Plan forward are:

- Executive Committee
- Board of Directors
- Partner Council
- Talent Advancement Team
- Corporate Council (NEW!)
- Economic Champions Corps (NEW!)

Funders Investors Founders

The BDB is funded by the Martin County Board of County Commissioners through an unprecedented 10-year contract to deliver economic development services. Local businesses and non-profit organizations are also making important annual contributions and providing funding support to drive economic development initiatives forward.

Leaders who engage with the BDB can gain valuable industry and policy insights, grow executive-level networks, build partnerships and add their voice to key economic issues. We thank each of them for their involvement as together we champion and strengthen Martin County's economy.

ECONOMIC COUNCIL

Aviation-Aerospace Talent Pipeline Initiative

Key Contact: Ted Astolfi, CEO, 772-288-1225

The Economic Council of Martin County has recognized the need to address the future talent development for the aviation and aerospace sectors in Martin County. Its CEO-level members have created a four-part approach to building the talent pool beginning with pre-k through elementary, middle-, high school and beyond. A new Outdoor Aviation Education Center at Witham Field and new Career and Technical Education programs by the Martin County School District in area middle and high schools and a first-of-its-kind REACH Center at Witham Field, developed by the Martin County Board of County Commissioners and its partners, are key components to this new Aviation-Aerospace Talent Initiative. It's also a sterling example of how Martin County solves problems through public-private partnerships.

IRSC INDIANTOWN WORKFORCE

CHARTER HIGH SCHOOL

<https://irsc.edu>

Key Contact: Dr. Alex Anzalone, Campus President, IRSC Chastain Campus
772-419-5600

A \$10 million gift—the second largest individual gift in Indian River State College (IRSC) history—has helped establish a charter high school in Indiantown. The school, which will be on 25-acres of County property on Southwest Citrus Boulevard, will focus on career and workforce education and Dual Enrollment opportunities. Its unique educational foundation aims to develop entrepreneurial mindsets supporting individual and regional economic stability and enhance pathways for workforce and post-high school educational opportunities. The new charter high school will be the second that IRSC operates in Martin County and in collaboration with the Martin County School District. IRSC's Clark Advanced Learning Center, a public charter high school on the College's Chastain Campus in Stuart, opened in 2004.

INDIAN RIVER STATE COLLEGE

IRSC PROMISES TUITION FREE

INITIATIVE FOR 2022 HIGH SCHOOL GRADUATES

<https://promise.irsc.edu/>

Application Deadline: May 15, 2022

In response to a pandemic that has disrupted lives and derailed plans for so many in our community, Indian River State College recently revealed its most significant investment ever in eliminating barriers to higher education. The IRSC Promise Program features tuition-free Associate degrees for qualifying 2022 high school graduates from public and public charter schools in Martin County and along the entire Treasure Coast. Sponsored by the IRSC Foundation, the IRSC Promise Program comes at a critical time. One million fewer students are enrolled in higher education today than two years ago. Consumer prices are up 7.5 percent over last January and rising. For many students and families, the cost of college can feel out of reach. Couple that with the fact that seventy-six percent (76%) of IRSC students stay in the local community after graduation, this new initiative is anticipated to help meet the ever-changing talent needs of our local economy.

MARTIN COUNTY BOARD OF

COUNTY COMMISSIONERS

REACH Center @ Witham Field

Key Contact: George Stokus, Assistant County Administrator, 772-288-5400

A new talent training facility is being created by the Martin County Board of County Commissioners at Witham Field to help residents who lost employment during the pandemic and others who are seeking to change careers, acquire new skills or upskill for better jobs. The 5,000 square foot facility will be rehabilitated for 21st Century learning with classes and programs provided by Indian River State College and CareerSource Research Coast. Initial training and programming anticipate focusing on the growing needs of Martin County's aviation/aerospace, marine and healthcare sectors.

WEBINAR SESSION:

DESTINATION CREATION IN ANY SIZE COMMUNITY: ONE BUSINESS AT A TIME

In this webinar, Destination Business Expert Jon Schallert will show why communities large and small are refocusing their efforts to create, attract, and support Destination Businesses in their marketplaces. After the workshop, Jon will take questions from the attendees.

Attendees will learn:

- The seven (7) different types of businesses that can become Destinations for Consumers, capable of pulling both locals and out-of-town consumers to spend their dollars in your community
- The four (4) primary reasons communities prefer to have Destination Businesses in their local trade area.
- The one (1) customer-attraction tool that could be utilized by every business in your city or town but usually isn't, and why it costs your community thousands of dollars in tax revenue every year.

SPEAKER: Jon Schallert

Jon Schallert is the only consultant and professional speaker who teaches businesses and communities how to turn themselves into Consumer Destinations. Schallert speaks to thousands annually on his proprietary 14-step "Destination Business" process, which he developed over the course of twenty-four (24) years by studying and interviewing over 10,000 independent business owners in over 500 cities and towns.

Highlights

- The Small Business Tool Kit is now available on the Village website in the "Start a Business" tab. The Tool Kit is a guide for entrepreneurs interested in starting a business.
- Staff continues to advance partnerships with the Business Development Board of Martin County and Indiantown Chamber of Commerce, as outlined in the Village's "Strategic Five-Year Plan."
- Staff will be attending a webinar entitled: *Destination Creation in Any Size Community: One Business at a Time*. The Destination Business Expert Jon Schallert will show why communities large and small are refocusing their efforts to create, attract and support Destination Businesses in their marketplaces.
